

LOGGING INTO THE REGISTERED TECHNICIANS AREA OF THE OFTEC WEBSITE

1. Visit www.oftec.org/technicians/signin
2. In the first instance, if you have not previously generated a password for the new website, you will need to complete the form on the right-hand side. Existing passwords that are used for works notification and OFTEC Direct logins will not be accepted, as the website security systems are not linked.

Technician Number – This is a five digit number. Do not include any letters, forward slashes “/”, or subsequent numbers.

Company Number – This number begins with a “C”. However, the “C” must be omitted on this occasion.

Date of Birth – This should be entered in full with dissecting forward slashes (i.e. DD/MM/YYYY).

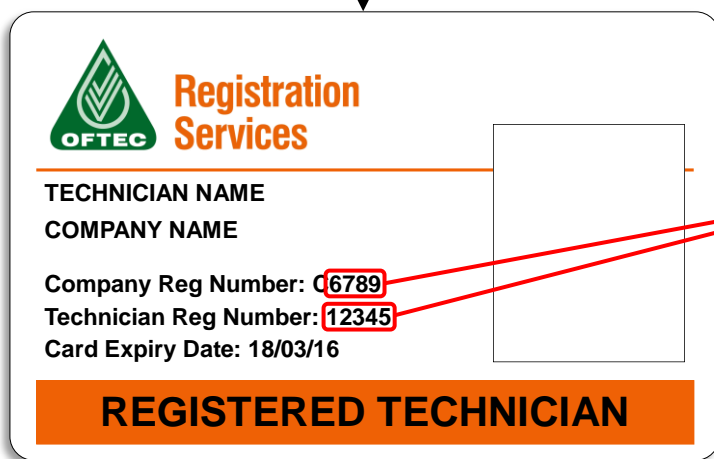

Password – This can include letters, numbers or symbols. The complexity and length of the password is your choice.

Confirm Password – This must be an identical match to the password entered into the preceding box.

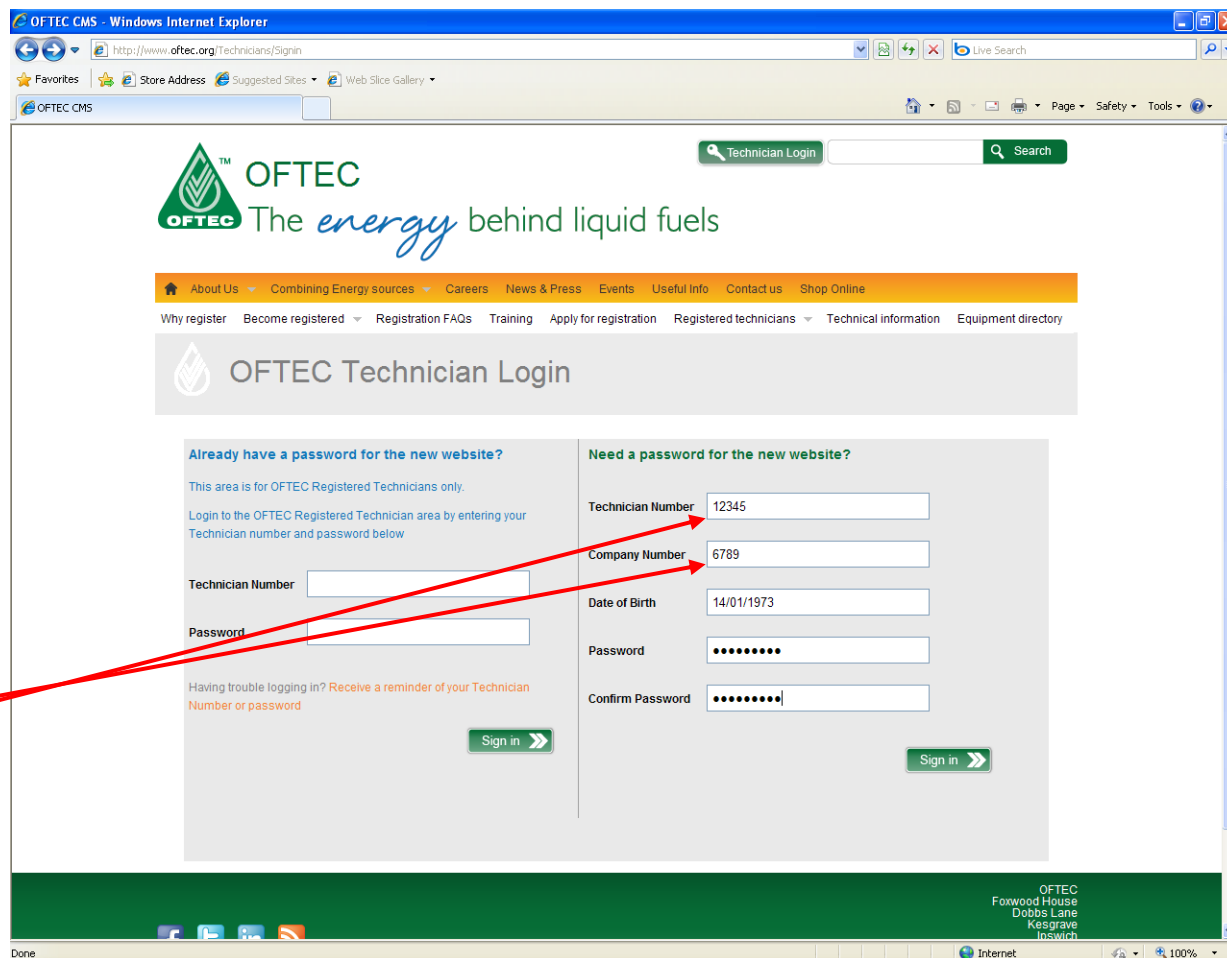

3. Select “Sign in” and then use the “Registered technicians” drop-down menu, highlighted in grey, to navigate the restricted area of the website.
4. Use the “Sign Out” link in the top-right corner once you have completed your session.

Note: For subsequent logins, you should use the same link (see step 1) and sign in by entering your “Technician Number” and “Password” on the left-hand side.

Sample OFTEC Registered Technician ID card

The image shows a sample OFTEC Registered Technician ID card. It features the OFTEC logo and the text "Registration Services". Below this, there are fields for "TECHNICIAN NAME" and "COMPANY NAME". The "Company Reg Number" is listed as 06789 and the "Technician Reg Number" is 12345. The "Card Expiry Date" is 18/03/16. At the bottom, there is a prominent orange banner that reads "REGISTERED TECHNICIAN".

The screenshot shows the OFTEC Technician Login page in a Windows Internet Explorer browser. The page title is "OFTEC CMS - Windows Internet Explorer" and the URL is "http://www.oftec.org/Technicians/Signin". The page features the OFTEC logo and the tagline "The energy behind liquid fuels". There is a navigation menu with links like "About Us", "Combining Energy sources", "Careers", "News & Press", "Events", "Useful Info", "Contact us", and "Shop Online". Below the navigation menu, there are links for "Why register", "Become registered", "Registration FAQs", "Training", "Apply for registration", "Registered technicians", "Technical information", and "Equipment directory". The main content area is titled "OFTEC Technician Login" and contains two login options: "Already have a password for the new website?" and "Need a password for the new website?". The "Already have a password" section has fields for "Technician Number", "Password", and a "Sign in" button. The "Need a password" section has fields for "Technician Number", "Company Number", "Date of Birth", "Password", "Confirm Password", and a "Sign in" button. Red arrows point from the "12345" and "6789" values in the sample ID card to the corresponding input fields in the login form.
